

Hike for Recovery

This September, Evergreen Treatment Services (ETS) is introducing a new way to support the people we serve.

On **Saturday, September 6**, ETS staff and supporters will gather at Squak Mountain in Issaquah for our first-ever **Hike for Recovery** event! This will be a casual, family-friendly hike to support ETS's mission and people in recovery in honor of National Recovery Month.

ETS invites you to demonstrate your commitment to the community and gain exposure to new audiences by sponsoring this event! If you'd like to contribute an amount that is not listed below, ETS will be happy to design a package specifically for your company or organization.
